15 provide shared-ride on-demand services
16 with dynamically generated routing; and

17 (ii) is traditionally provided in a des-
18 ignated service area; and

19 (B) includes service models such as—

20 (i) first mile or last mile connections
21 to fixed route services;

22 (ii) hub to hub zone-based services;

23 (iii) the commingling of ADA com-
24 plementary paratransit services with gen-
25 eral transit service; and

1 (iv) point-to-point service within a
2 specific zone or geographic area.

3 (5) SECRETARY.—The term “Secretary” means
4 the Secretary of Transportation.

5 (b) GRANT PROGRAM.—The Secretary shall award
6 grants to eligible recipients, in accordance with the for-
7 mula under section 5311(c) of title 49, United States
8 Code, for the electrification of buses, microtransit vehicles,
9 and other public transportation fleet vehicles.

10 (c) ELIGIBLE PROJECTS.—An eligible recipient may
11 use a grant received under subsection (b)—

12 (1) to purchase—

13 (A) an electric bus;

14 (B) an electric vehicle, other than an elec-
15 tric bus, used for microtransit; or

16 (C) charging infrastructure;

17 (2) to renovate a bus facility by upgrading ex-
18 isting charging infrastructure or adding new charg-
19 ing infrastructure; or

20 (3) for operating assistance for electric public
21 transportation, including electric vehicles.

22 (d) TECHNICAL ASSISTANCE.—The Secretary may
23 use not more than 5 percent of the amounts made avail-
24 able to carry out this section for a fiscal year to provide
25 technical assistance to eligible recipients.

1 (e) WORKFORCE DEVELOPMENT TRAINING.—An eli-
2 gible recipient may use not more than 5 percent of the
3 amount of a grant received under subsection (b) for work-
4 force development training for a transit agency in a rural
5 area, as defined in section 5302 of title 49, United States
6 Code, including—

7 (1) costs associated with obtaining proper oper-
8 ating and driving licenses for electric vehicles;

9 (2) the cost of training for operations and
10 maintenance of electric buses and other electric vehi-
11 cles; and

12 (3) the cost of training for operations and
13 maintenance of charging equipment for electric vehi-
14 cles.

15 (f) APPLICABILITY OF SECTION 5311 REQUIRE-
16 MENTS.—The requirements under section 5311 of title 49,
17 United States Code, (other than subsection (f)) shall apply
18 with respect to a grant awarded under this section in the
19 same manner as if the grant were awarded under such
20 section 5311.

21 (g) AUTHORIZATION OF APPROPRIATIONS.—There is
22 authorized to be appropriated to the Secretary to carry
23 out this section \$500,000,000 for each of fiscal years 2025
24 through 2029.
